

# THIS WEEK'S MINUTES ARE BROUGHT TO YOU BY NOLAN HELLA FREAKIN LATE. JBL is totes gonna stab me.

## YO, YOU GOT SOME SOLUTIONZ??

Some guy named David from Campus Solutions made a rull quick preezo (that's how I abbreviate presentation from now on, get with it) about how you can kinda sorta but not really make money as a MANAGER (dun dun dun duuuuun) for Campus Solutions, a student-run company on campus specializing in overcharging you and then giving you some storage boxes as a consolation prize. Hah, I kid. #SortOf. No, but really, you get a lil' bit of manual labor moving boxes and packages and you get some mental labor from doing all this fancy marketing work. If you're into that, I guess. I would normally take this time to wax on about my marketing class I'm in right now, but I will just share its secrets and be done with this. SECRET #1: USE METAPHORS. They are effective even when they're wrong, like when a rhino wants to eat but can only dance. #thatwasasimilie #iwasjusttestingyou. SECRET #2: Most of marketing is just convincing people that things you told them to do are actually their idea. #FUNFACTJAMZ

## DUDE TUTORZ

Shabecca (well, mainly Rebecca, but I plan on continuing to use this as much as possible) talked about this crazy awesome program on the weekends where you can go tutor younger folk about journalism and empower them through media creation! Bananas, I know. But if you haven't noticed, Medill is like 75% female. And obviously women are no good at teaching. JOKE. THAT SENTENCE WAS A LIE. No, but really, dudez reading this, if you have nothing better to do on your Saturdays, you should go help make future Medilldos get on the path to success so we can reclaim the gender ratio at Medill! #conspiracy

## DANCE MARATHON

You got e-mails about info sessions. Hopefully will sign up even if you didn't go. Dance Marathon is so great. Save children's lives by movin' your bum up and down on the dance floor. You should watch this video: <http://www.youtube.com/watch?v=fHAigWTZioI> I danced like that for all 30 hours of DM. I'm the one on the left if you can't tell by my dancin' skillz. #shakeittotheground

## NO AWKWARD HAND GESTURES HERE

Julie organized an American Sign Language fireside for October 18th! Here are my thoughts on the matter:

• : •• •• •• •• •• •• •• •• ••  
•• •• •• •• •• •• •• •• •• •• •• ••  
•• •• •• •• •• •• •• •• •• •• •• ••  
•• •• •• •• •• •• •• •• •• •• •• ••

I KNOW RIGHT? IT'S NOT EVEN THE RIGHT DISABILITY. #IWASJUSTTESTINGYOU

Shabecca's also gonna have an NCDC speaker come in and talk to us about all the cool stuff they do and it's gonna be grand and SESPTastic.

## ACMs ARE NOW AT 7:30 ON SUNDAY NIGHTS. CHECK YO SELF BEFORE YOU WRECK YOURSELF.

There is a homecoming parade on October 22nd! It will be glorious and we will cheer and scream and then walk down a road that may or may not be Sheridan thanks to the construction and freshmen will be like, "This is more dissappointing than Panquake and gosh don't you hate it when Nolan uses run-on sentences in the minutes I mean grrrrr." JK. Panquake was the time of your life.

SPEND YOUR SWEET SUITE MONEY. HEY 2-BLUE. LET'S BY FOOD. I'M THINKING COZY NOODLE WHAT DO U THINK? #crabrangoon #yeahbaby

Also, we might get TiVo. Also, Hulu exists in the meantime.
