

# This Awww Shit! Moment has been brought to you by CRC ACM 4/12/10

**EXCURSIONS:** This Friday: Swan Lake at Pacific Opera House. Don't be fooled though. My sources on the streets tell me that although at the Opera House, Swan Lake is indeed a ballet. There are eight available spots, and, of course, Coltrain will chaperone us babes.

**May 7<sup>th</sup>:** Waa-Mu    **May 15<sup>th</sup>:** Waa-Mu  
Waaaaaaaah Moooooooooo. See the cow →

**May 21<sup>st</sup>:** Farmsworth Invention at Timeline Theater  
*Spoiler: The invention is television.* There are 22 available spots, but 11 of those are for tutorial kids. SUP JENN COCO OLIVIA SHIRLEY LAURA BRENDAN NATE HOW R U DOIN? May you all have the opportunity to bask in the greatness of Charles Whitaker.

**May 30<sup>th</sup>:** Memorial Day Bike Ride / ROGER BOYE TIME AWW YEAH

**TUTORIAL:** Next fall, Medill professor David Abrahamson will be teaching "Mastering Media Change While Riding Journalism's Tiger." Not going to lie, I've spent far too many minutes trying to make a joke about riding Tiger Woods. But I will refrain. As for the winter, we already have another film-y one, Westerns with J-Kupz. It's about riding stuff too! But not Tiger Woods. More like wild, untamed, stallions. Yeah baby. Consider it if you like cowboys.

**FIRESIDE ALERT:** Sarah Crosby Campbell graduated in the late 1980s after spending four years in Chapin (lame). After winning a Rhodes scholarship, she decided to write children's books. She's in town to get an award and she's gonna do a fireside on the 29th of April on how to write children's books so you can avoid situations like these: [http://www.huffingtonpost.com/2010/03/29/the-creepiest-childrens-b\\_n\\_513489.html#s75168](http://www.huffingtonpost.com/2010/03/29/the-creepiest-childrens-b_n_513489.html#s75168)

**SOCIAL BONUS :** There will be children-appropriate snacks.

Also, She wrote a book about the amazing WOLF SNAIL which Peter has told you about by now. Seriously though, I have never seen such joy and excitement on Peter's face before. It was treat to bask in such sunshine. Who knew a snail would bring it out of him?

**ALCINA:** No more news about the washing machine situation. An anonymous source during this time unofficially told us to keep e-mailing that e-mail address with more complaints like Sarah Lowe's amazingly worded e-mail. But I obviously have no clues about the identity of said person.

## TIME FOR SOME HAIKUS:

Looking at Kaitlyn  
Her soft hair blows in the wind  
ANTM, yo.

Krislyn cannot say  
The word wolf still. Ha ha ha.  
But we should not laugh.

Peter Larson has  
a cool spirit animal.  
Wolf snail. Def don't mess.

Rebecca sleeps now  
She does not know that I know  
But it brings the lolz.

**RCB FIELD DAY:** Do you fantasize about pushing Coltrain around in a shopping cart? Obviously you do. It's coming. Start preparing.

**DAN TULLY:** He is our ASG senator no more. No sex scandal was involved, so rest easy. So who wants to run for ASG? Billie Kaplan does. Sometime between now and Friday we have to formally vote for her or our familiar friend Mr. No Confidence. He just can't get enough. What an election ho.

**WEB SITE GOODIEZ:** There is a Web site competition between us and other residential colleges. If you win best web site, the person who made it gets \$50 and the res college gets \$100. JENN HERE'S LOOKING AT YOU KID. Cassi you can help too. I'll just sit back and uh...supervise.

**ILLUMIHINMAN:** The Monday night after Dillo Day, our neighbors at the one eight three five are in for a pleasant surprise. There will be thousands of water balloons and a rally. You know what they say. Once you kill a cow, you gotta make a burger.

**KAITLYN:** Housing is done so she's probably gonna get really lazy. Let's be vigilant and prevent her from slipping into laziness. Oh btw use online attendance sheets kthnxbye.

**PHILANTHROPY:** Not too late if you want to Relay For Life. DO IT OR FACE THE WRATH OF REBECCA "I HOPE NOBODY SAW ME FALLING ASLEEP DURING THE ACM" COHEN. Then read my haiku, above.

**DANCE PARTY:** Saturday night. Big jugs of Gatorade will be there. Ice cream munchies the week after that. Idea: <http://www.wikihow.com/Make-Gatorade-Popsicles>

*ASG CANDIDATES CAME TO TALK TO US AND THIS IS WHAT THEY SAID. PETER ASKED GOOD QUESTIONS SO GIVE HIM A PAT ON THE BACK AND PERHAPS A WOLF SNAIL IF YOU SEE HIM. OMG WHO WOULD WIN IN A CAGE FIGHT, A WOLF SNAIL OR ISAAK? ISAAK OBVI. RAWR. THAT LETTUCE-EATING SLOW-MOVING HARD-SHELLING CUTIE. LUUUURVE HIM. ANYWAY. RIGHT. ASG.*

**ADAM & ALESSIO:** all about bridging divisions, stupid shuttles, cell phone reception, wildcards off campus + munch money, getting syllabi onto CAESAR before you register, green technologies, got endorsed by green house, clocks and timers in showers, 24 hour center on campus, better lobbying approach with student groups and the administration

**HIRO & CLAIRE:** meal plan reform, making university better, completing external projects quicker, met with Sodexo people, give better options, shuttle system + making them correspond with classes, cell phone reception + avoiding the expensive, but if we make it a priority, they'll do it, Claire has long-term relationship with board of trustees

**NO CONFIDENCE:** most amount of political experience, occasionally successful, tendency to drag things out, not a friend of Morty, endorsed only by the Nihilist Student Association, insecure, lacking self-esteem, often the subject of cruel jokes, may also be our ASG senator if you don't like Billie but obviously that won't happen so I guess running for president is his thang now.

#### **FUN FACTS:**

- Peanuts are one of the ingredients of dynamite.
- There are 293 ways to make change for a dollar.
- Two-thirds of the world's eggplant is grown in New Jersey. Haha Carrie. And Rachel.
