

# This Awww Shit! Moment has been brought to you by CRC ACM 4/18/10

Stuff you want to know:

## Waa-mu two weeks from Friday

**April 29 Sarah Campbell's comes to** "scare us all with her woof snails," munchies involved  
Buy one get one free jamba juice on the listserv. I love me some fruity goodness.  
April b-day munchies are coming up at some point.

**CAs:** A&O is playing the Hurt Locker for free in McCormick. Can we get a group? CRC loves free.  
Oh heeeey, laundry is still free till maybe Friday. Dirty CRCers, wash yo sheets already. *Also, I wanted to tell you about the Michigan State student caught stealing 79 pairs of women's underwear, but do you know how many results a Google search for "stealing women's underwear" turns up? Some mayor in the UK got caught on tape. Lolerderby.*  
*This is him.*

*Lolerderby to the max.*

Also, Justin loves us. Said so himself.

**Equipment:** we're buying toner. (*does toner look like boner to you? It does to me.*) As per usual. Spring film grant is coming up, get your towels ready. Bike and ball pump in Monitor's office—check it out, and don't send out a listsev email asking to borrow someone's (oh hey Chris Kirk)

**New student week:** we're a havin' a bonfire! Don't light anyone on fire. PS, I crashed Shepard munchies last week and ate S'mores, so I'm totally in the bonfire mood.

**ASG senate:** ISRC is bringing a candidate to the table. We all know no one will be the next Dan Tully. What we need is change. A Billie you can believe in, so to speak.

**Treasury:** Stuff about money I wasn't paying attention to

Do you know how cool **RCB Field Day** is going to be?

**May 22, 1 pm**

**SO MUCH FUN YOU DON'T EVEN KNOW HOW TO FUNCTION**

War paint = reason to live. We learned that from CRC DM 2010

Highlights: Human foosball tournament, popcorn, Field day, 4 hours of your day

**Do you have mild design talent?** Have you ever considered being America's Next Top Model? Do you think you're hot shit? (*look how long I went without saying shit! Go me!*) Submit yo t-

shirt design for the CRC t-shirt next year. You know you love democracy. Also we'll have some sort of a party, cause dat how we do.

**Philanthropy:** Earth day this week. Go to SEED, paint flower pots or something about growing veggies. Maybe one day we'll write to soldiers.

Wrappin' it up. Rappin' it up? Thanks for making it to the DP, guys. Way to be good at life. The videos rocked my world.

Did you know CRC had balls? I didn't.

Kevin has been talking to a woman... oooh la la.  
On the...phone.

*Oh wait, was I supposed to be doing something here?*

Kaitlyn and Krislyn win both the **KTBOLT** and the **FRICKING AWESOME NUNCHUCKS/Buddha**.  
<disappointed Shaunacy face> Again, STEP IT UP CRC, I EXPECT MORE THAN ONE IMPROMPTU PERFORMANCE. </disappointment>

They made out again? Shocker. Come on guys, save some love for the rest of us.

Stuff you missed during the exec meeting:

Roger does a spot on Coltrain impression  
Exec reads NuIntel together—do you want Zoolander as your ASG senator?

Future Dr. Lebersfeld's words of wisdom: "Stop coughing"  
Nolan plays with Nunchucks. CRC just got 20 times more dangerous. I do not condone any nunchuck/nerf gun confrontations.

Do you know how many popsicles you can get at CVS?

"I'm Irish!" gets yelled from the hallway outside: My sources say (i.e. my own voice identification process) totes Abby Dennis

Nathalie has tons of cash running around. Where did she get it? Black market puppies.

According to Lindsey, wealth of information that she is, if you're looking for a meetup of Out Professional Gay Men, go to Edgewater.

## Fun facts:

CRC didn't forfeit the IM softball game this week, which means...We get to play again next week! Get your asses to Long Field.

Facebook chatting: (^^^)=  little shark. I hate sharks. The fear they inspire in me is second only to the fear that strikes my heart every time mayonnaise gets near me. (PS, it doesn't work in gchat, and you just end up looking like an idiot)

Haikus for you, my boo:

I asked Roger to  
Act out a Youtube vid  
He just stared at me

Where are your costumes?  
N o one deserves my prizes.  
Next week's better rule.

Ben loves Ancient Rome  
He wants to fight with swords, not  
Attend ACMS
